Due to significant increases in fuel prices, ongoing supply shortages, and increased freight costs, LSI will not be offering delivered pricing into the foreseeable future. We apologize for this inconvenience and thank you for your understanding in this matter. LSI is making every effort to avoid changes to previously booked orders. In place of our delivered pricing program, please use the graphic and information provided to estimate shipping costs based on your area. Please keep in mind that these figures are strictly an estimate and may not reflect the final shipping costs for your order at time of shipping. It should also be noted that these estimates are based on current shipping rates and do not reflect future changes.

LSI thanks you for your continued business and support!
